

Falkirk & District Community Safety Panel

Chair's Report 2021/22

I am pleased to welcome you to another AGM of Falkirk & District Community Safety Panel after a 2 year gap. I also welcome our partner from Police Scotland. Due to us just beginning to get back to normal with our meetings we have no guest speaker this year.

Myself as Chairperson, Stuart Caplan as Vice Chair, George Forster as Treasurer and Tom McDougall as Minute Secretary have tried to keep everyone up to date even though we have not managed to have any meetings until fairly recently.

Due to covid restrictions there have been none of the usual initiatives happening for us to attend but again I hope we can get things up and running again over the next year

We are now at the start of the new session and our meetings are being held in Brightons at the moment as we are not allowed into the fire station for meetings. We have not had any nominations for The Tom McDougall Trophy this year but we will continue to take this forward during the next year.

I would like to thank the vice chair for his work on the web site and keeping it up to date and George for keeping our accounts up to date.

We are now looking forward to our next year. If anyone is interested in the work of the panel feel free to come along to any of our meetings.

Our election of office bearers will take place at the next regular meeting of the panel.

I thank you all for your help and support and hope we can continue as a safety Panel.
